

UI-WIREFRAMES.md — InternTrust

User Flow Diagram

Screens (each exists for a specific reason)

1. **Landing** — entry point, explains what InternTrust is, links to Signup/Login
2. **Signup / Login** — auth entry

3. **Profile Setup / Edit** — captures skills, experience, preferences (used for matching)
4. **Feed** — the core screen: ranked, scored postings
5. **Submit Posting** — form for sharing a new internship
6. **Posting Detail (expandable card)** — full description + flag action

Low-Fidelity Wireframes

Navigation

A persistent top navbar (Feed / Submit Posting / Profile / Logout) appears on every authenticated screen — no dead ends, every screen reachable in one click.
